Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO — Data Link Solutions, Cedar Rapids, IA, is being awarded a \$12,891,828 option exercise and delivery order for fiscal year 2001 Multifunctional Information Distribution System (MIDS) Low Volume Terminals (LVT) pursuant to the terms of its Indefinite Delivery/Indefinite Quantity contract (N00039-00-D-2100). The MIDS-LVT provides secure, high capacity, jam resistant, digital data and voice communications capability for US Navy, US Air Force, and US Army platforms. Work will be performed in Wayne, NJ (50%) and Cedar Rapids, IA (50%). The period of performance for this effort will commence in September 2001 with terminal deliveries completed in December 2003. Contract funds in the amount of \$12,891,828 have been obligated. Of this amount, \$8,160,453 will expire at the end of the current fiscal year. The original contract was awarded on a sole source basis in January 2000. The delivery order for fiscal year 2001 was competitively procured through Space and Naval Warfare Systems Command via the Commerce Business Daily and with two proposals solicited and two offers received. The Space and Naval Warfare Systems Command, San Diego, is the contracting activity (N00039-00-D-2100).
